September 27, 2019

*O*n the opening day of school, both the day and all the students sparkled. During the homily, I told the students that after a quiet summer I could feel the electricity in the air as so many people, students, faculty and families, arrived for the celebration of the Votive Mass of the Holy Spirit to inaugurate the academic year. I told them that even my dog, Theophilus, could sense the change in atmosphere, and sure enough, later in the day, he was running through the halls greeting all the new arrivals.

What occurs on these grounds each day is amazingly unique. To begin with Mass each day calms the youthful spirits of a generation so acclimated to the distractions of technology, and to initiate the day with a deep and serious focus on God and the Sacraments is to dispose the children toward God. The availability of Adoration of the Blessed Sacrament each week and access to confession each month, likewise instills habits of silent reflection, prayer and examination of conscience deep within these young souls, making it much more natural and ordinary for them as they mature to focus on what is important in life, not only what is merely urgent.

It would be easy to take for granted the culture of Sacred Heart Academy as something ordinary. But you and I know it is not ordinary, nor accidental nor easy. It is exceptional, indeed rare, and is the result of a great deal of careful planning and coordination.

It is also the result of a spirit of generous sacrifice. It is the sacrifice of the faculty, most all of whom could find higher salaries commensurate with their talents elsewhere. And, of course, it is the result of the sacrifice of families who in effect pay twice for the children's education: first in their taxes and second in their tuition. Perhaps part of that equation will change some day, but for now it is the reality we face.

This means that even more sacrifice is required, which is what this event is about. It provides a fun and playful backdrop for the very serious business of building a counter-culture of intellectual, spiritual and moral formation that will last a lifetime – indeed, I pray, an eternity. I know you have various other commitments and responsibilities, and like all of us, limited resources. So, please be as generous as possible and as generous as is reasonable. Keep in mind, as well that with this event, we will go on to a two-year cycle.

I would also ask that you both pray for Sacred Heart Parish and Academy, and let others know what is happening on the West Side of Grand Rapids. It is very much a story worth telling.

Fr. Robert Sirico
Pastor

Heart to Heart tables Contain Gifts that Keep Giving!

Our 10 *Heart to Heart* Tables are filled with items that give you a chance to help Sacred Heart meet real needs with gifts that keep giving. For example, at a *Heart to Heart* Table you could help to expand the school's library collection or provide hymnals for the parish. With the wide array of *Heart to Heart* Table sponsorships available, you are free to put your donation where your heart is.

Heart to Heart Tables Double Donations!

For every dollar you give at a *Heart to Heart* Table, another dollar is donated to Sacred Heart. This dollar-for-dollar match was made possible thanks to the generosity of both corporate and individual donors from Sacred Heart Parish and Academy who pooled their money to form these matching dollars. The goal tonight is to work collectively to fulfill ALL of the *Heart to Heart* needs so Sacred Heart Parish and Academy can receive ALL of the grant money available.

Heart to Heart Tables are 100% Tax Deductible!

There are no minimum bids at a *Heart to Heart* Table and whatever amount you choose to give is 100% tax deductible. Remember, every dollar donated gets us closer to exhausting the dollar-for-dollar match money available for our Sacred Heart Community!

Heart to Heart Tables are Fun!

Heart to Heart Table MASTER OF CEREMONIES

We are excited to welcome back to our Sacred Heart Auction, Casey Jones! Casey joined the 24 Hour News 8 sports department in August 2012 after working as a multi-media journalist in South Bend, Ind.

In August 2015, he was announced as the co-anchor of "24 Hour News 8 Daybreak" weekdays which airs from 4:30 a.m. to 7 a.m.

A Grand Rapids native, Jones went to West Catholic High School and then to Grand Valley State University where he earned a bachelor's degree in broadcast journalism.

For two years, he was a part-time member of the WOOD TV8 sports department before accepting the job at the FOX affiliate in South Bend, working extensively to cover Notre Dame sports, including Fighting Irish football.

"When you grow up watching a station and get into the business because of the people who represent that station, it's really surreal to think that you're now a part of that pedigree," Jones said. "I've always imagined myself at WOOD-TV and it's a dream come true to be back home."

welcome to our LIVE AUCTION

How to Bid On Items

- You must have a bid paddle to bid on auction items.
- The auctioneer will describe each item and open bidding with a suggested dollar amount.
- To bid, simply hold your bid number up high so that our spotters can see it.
- The auctioneer will acknowledge your bid by calling out the amount you are bidding.
- The auctioneer will determine the highest acceptable bid and call the winner.
- Winning bidders will be asked by the spotters to sign an auction receipt, at which time they should verify that the bid number, bid amount and item descriptions are correct.

By bidding, you are stating that you are ready and willing to purchase an item for your bid amount. The winning bid is final and non-retractable.

Four Unique Auction Formats

During the auction we will be offering four different ways to bid and donate – participate in all four!

1. **AUCTION BUCKS RAFFLE:** Just Prior to the start of the Live Auction, the Auctioneer will invite guests to raise their paddle if they would like to participate in the Auction Bucks Raffle. The Auctioneer reads off the bid numbers as they get recorded on tickets for guests. The tickets are immediately put into a hat and the auctioneer draws the winning ticket of \$1,000 Bucks to be used during the Live Auction!
2. **TRADITIONAL LIVE AUCTION:** Will be conducted as described above.
3. **GIFT CERTIFICATE FRENZY:** A wide variety of gift certificates will be offered at two different times during auction. The auctioneer will read the name and amount of the gift certificate prior to offering at retail value. The first visible paddle to the auctioneer will be the winner. (The auctioneer reserves the right to hold a short “bid off” on the certificate if there is more than one paddle in the air.)
4. **TUITION ASSISTANCE:** We’ll conclude with a special fund-a-need format to benefit the Sacred Heart Academy Patron of the Heart that aids families in need of tuition assistance in the form of scholarships. The auctioneer will start out with the donation level that equals the cost to send one child to school at Sacred Heart Academy - \$7,700 for full time High School, \$4,750 for full time lower school. He will allow time for everyone who is interested in donating at that level to raise their paddle so their bid numbers can be recorded for that amount. He will then move down to the next lower donation level and will continue that process down to \$25 dollars. This is a great way to help provide a scholarship for a child – whether you are donating \$7,700 or \$25 dollars.

Payment and Tax Information

If you registered for Express Check-Out, your credit card will be charged. If you would like to pay with cash or check, visit the Check-Out table. Items need to be paid for before they are claimed. If your winning bid exceeds an item’s retail value, the difference is a tax-deductible donation. Your receipt serves as your documentation for the IRS. **Receipts will be mailed within one week. If you would like one tonight, stop by the Check-Out table.** Amounts paid for raffles do not qualify as deductible charitable contributions.
