Sean Maltbie: YES!!!!

00:44:18.998,00:44:21.998

Conor Dugan: Father, I've heard that there may have been some staff on temporary furloughs. If donations were up in February and March over last year, If that is the case, why did we have furloughs of different staff if that is in fact the case? Is that because we are anticipating a fall off in April? Were other streams of income down?

00:47:55.608,00:47:58.608

Daniel Mattson: I have heard of a parish that took advantage of the forgivable SBA payroll loans, and was able to keep everyone on staff paid. Is that something the parish has investigated?

00:48:48.803,00:48:51.803

Daniel Mattson: I think that might be a good source of financial help, going forward.
